

Extravaganza Planned For State Day At The Exposition

SUCCESS OF THE EVENT ASSURED BY COOPERATION

Orchestra, Dances and Chorus Participate In Calif. Coliseum Classic

Arrangements for two State College programs on May 6, State Day at the Fair, were completed by chairman of the day, Vernon Rees and his committee. The performances are scheduled for 2 p.m. and 8 p.m. in the State Building.

As previously reported the hundred piece symphony orchestra, three hundred voices of the combined A Capella Choir, Madrigal Singers, College Chorus and Treble Clef and one hundred Kappa Delta Tau dancers will make up the major portion of the program.

A preview of this program may be witnessed at one of the San Francisco high schools on May 1.

"This is a chance for State to really put itself on the map and publicize the fact that we have an up and coming college here," stated Vernon Rees. "We will not only let San Francisco know about our college but the State, the Nation and even the World," continued Rees. "This program would not be possible if it were not for the fine cooperation that we on the committee have gotten from the Music Federation, Kappa Delta Tau and the Music Department," concluded Rees.

Inter-Frat Planned

Sigma Alpha Eta's bid for campus immortality—the formation of an active inter-club council to push the participation of the student body in extra-curricula activities, establish traditions and increase the aesthetic standards of college life, swept onward after an unexpectedly enthusiastic reception by campus student leaders at a meeting in the activities room on Wednesday afternoon.

With the clubs represented unanimously expressing interest in forming an inter-club federation, plans were presented by the day's chairman, Burton Johnson of Sigma Alpha Eta, for the immediate formation of an active organization that would be ready to operate by the beginning of the fall semester.

A second meeting was scheduled for next Monday afternoon at 4 o'clock in Room 217 at which time a constitution will be presented to the various club presidents attending. The new document will be drafted over the week end by Vern Rees, Ed Smith and Wade Brummal who were appointed to serve on the constitutional committee.

Assembly Votes On Campus Bill Friday Morning

Proposal To Sell Present Site Meets Opposition

SACRAMENTO, CALIF., April 13—A new campus, new buildings and a new outlook on life are in view for over 2,000 San Francisco State College students as their expansion program comes before the Assembly tomorrow.

Cliff Worth and Bob Sweeney have been campaigning here for several weeks to insure passage of the bills.

Senate Bill 347, proposed by Jack Shelley, San Francisco's labor leader, will be considered at 8:30 tomorrow morning by the Assembly Committee on State Colleges. The bill is expected to receive a unanimous recommendation and go to the floor of the lower house for an early vote. This measure provides for the sale of the present State College's campus and buildings, the funds to be spent in developing the Ingleside-Lake Merced site. Officials estimate the property will bring \$450,000.

Political observers believe the Assembly will follow the Senate's action which passed the bill by an overwhelming vote.

Proceeding on Senate Bill 261, also by Shelley, which appropriates \$300,000 is being held up until 347, "the leader bill" goes through the lower house. Bill 261 received an unanimous vote in the Senate and is expected to pass the Assembly.

S. B. 347 will meet opposition on the floor of the Assembly by Dan Gallagher and Ray Williamson who are against moving the college from its present location.

Members of the Assembly committee on State Colleges are as follows: Daley (Chairman), Burns, Hugh M., Burns, Michael J., Richie, Robertson, Stream and Weybreit.

Macbeth Cast Chosen By Shakespeare Committee

Tryouts for "Macbeth" resulted in the major roles being cast as follows: Lady Macbeth, June Ross; Macbeth, Norbert Nichols; Macduff, Vernon Rees; Lady Macduff, Wilma Ericson; Banquo, Herbert Smith; Malcolm, Ray Hutchison.

Noon rehearsals are being held Monday's Wednesdays and Fridays at the Gibbons Dance Studio.

'Stronger Sex' Entertained By State Co-eds

Sadie Hawkins Day Will Be Sponsored By Junior Class

By BRUMMAL

She's on her way!

And on Friday evening, April 21, SADIE will make her campus debut as guest of the Junior Class from 9 to 1 in the A.W.S. gym.

No, not Sadie the Mermaid.

It will be her Amazonian cousin, the long awaited Sadie Hawkins who sounds the death knell of traditional masculine chivalry and storms the campus with chagrined male in tow. And to make Sadie's triumphal celebration of feminine equality even more complete, she will swing the dethroned monarch, man, to the swirling rhapsodies of one of San Francisco's better known dance bands.

Assisting State coeds in the expected mad rush for dates will be Bobby Blackwell's famed Date Bureau. With the girls outnumbering the once termed "stronger sex" about two to one on the campus, man's scarcity should make him a rare prize and give Master Blackwell an abundance of feminine hearts to satiate.

Each coed will be expected to secure her own date, call for him, cart him to the dance, fill out his dance card, treat him to a coke, take him home and KISS HIM GOODNIGHT. This last, while probably needing no special stress, is essential for the proper observance of Sadie Hawkins' Day. Cor-sages of the vegetable variety will be in good taste.

Heading the committee in charge of the dance is Dena Witt, secretary of the Junior Class. Assisting her are Wade Brummal, Bob Sweeney, Fred Kline and Phyllis Hansen.

Surprise Shower Given Augusta Hannah Thorpe

Alpha Omega gave a "surprise" kitchen shower to its newlywed member, Augusta Hannah Thorpe, at its last meeting at the home of Bette Pierce.

President Jean Van Arsdale dispensed with the minutes, the signal for the "surprise" chorus to the wondering Mrs. Thorpe. The bride is a low sophomore, her husband, Tom, a high junior.

Peggy Roach, Dolores Ferrari and Dorothy LaVelle whip up a picture for the Bib 'n Tucker fashion parade, sponsored with the aid of the City of Paris. The newest in clothes will be strutted across the stage of Frederic Burk Auditorium on April 19th.

AS THE GATER SEES IT

By ERNIE MIGUEL
Editor

With malice aforethought and the premeditated intention of creating a chaotic campaign week, the Executive Board last Monday night abolished all existing regulations on campaigning. . . .

Old-timers will once again see scenes similar to those of the old 1937 model, Decker-Smith type election, with halls littered knee deep with throw-aways, walls covered completely with over-lapping posters, free ice cream, candy, cigarettes, brass bands, blaring loud-speakers and boisterous rallies. . . .

As far as candidates go, it looks like a close race for both the presidency and vice-presidency, with Bob Sweeney and Ed Smith tossing their hats into the prexy ring, and the two P. E. majors, Peggy Smith and Louise Vallarino vieing for the vice-presidential vote . . . Presidential candidates had better look to their laurels, however, as a dark horse may yet come and cop the title—Remember 1938? . . .

Speaking of elections, it is an easy proposition to prognosticate that the proposed student body constitution will pass with an overwhelming, if not unanimous majority. . . . In the history of the college there has never been a question that demanded a YES or NO vote that has not been passed. . . . It has always been easier to take some other person's word that it is good than to read the proposition. . . . As far as the constitution is concerned it is all very well if it passes, but the least the student body could do is read it before putting an (X) in the YES column. . . .

Mr. Edward F. Cassady, English Assistant Professor, took his final examination for the degree of Doctor of Philosophy on the California campus Tuesday. . . . He's DOCTOR Cassady now!

Another English Professor adding to the prestige of the college is Dr. Elias T. Arnesen, who delivered a lecture on "The Illusion of Reality in the Motion Picture" before the San Francisco Museum of Art last Monday evening. . . . Dr. Arnesen is now instructing the first college course in motion picture appreciation at State. . . .

A book of Punctuation Simplified by Mrs. Blanche W. Ellsworth has been published and will be on sale soon. . . .

An art exhibit by Miss Marion Cooch, Associate Professor of Art, is included in the Annual Art Association Exhibit at the San Francisco Museum of Art. . . .

REFRESHMENTS, ENTERTAINMENT ACCOMPANIES

By SIBYL HURNING

Bib 'n Tucker presents . . . a new idea in fashion shows! The evening of April 19, from eight o'clock on, will be a big one for the members of the organization, their friends and relatives, when the City of Paris sponsored fashion parade will be held in Frederic Burk Auditorium.

A tentative list of the models presenting the latest in spring apparel includes Enid Hildring, Rita O'Brien, Joan Smith, Victoria Regier, Betty Fisher, Peggy Clifford, Frances Chichester and Betty DeVoe.

In addition to the fashion display, Betty DeVoe, chairman of the event, promises an intermission program of songs by Bernice Bianchi, a monologue by Marjorie Furtado, and several piano numbers. Card playing will be offered, and refreshments will be served by the members of the club.

Chairman DeVoe is being assisted by Frances Chichester, Rita O'Brien and Elvira Heunergardt.

Loud Campaign Prophesized

Nominating petitions for student body officers are now available in the student body office for all candidates, according to Cliff Worth, student body president.

The petitions, requiring fifty student signatures, will be presented before the Executive Board for approval on Monday evening, April 17, after which the candidate will have been formally nominated for office.

Active campaigning will officially commence with the Annual Campaign Rally in the Gym on Wednesday, April 19, and will continue until the day of election, April 26.

At the Campaign Rally all candidates will make a short speech, summarizing their ability, platform, and promises before the assembled student body.

No restrictions on campaigning have been made, promising another wide open election week, complete with brass bands, free eats, souvenirs, buttons, cards, signs, noise, and spilling. Candidates will make gentlemen's agreements as to the limitations, if any, that will be placed on them.

Clubbers Journey To Gaucho Land For Return Games

By FRED BENDER

After splitting a pair with Santa Barbara on the local diamond, in their visit to Northern California, the Golden Tide baseball squad is leaving today for Santa Barbara to engage the Gaucho nine on their own diamond.

"In their recent tour up here, we were the only college that beat Spud Harder's club," voiced Coach Hal Harden, "but they will be tougher to whip on their own diamond."

George Mailho, Tide hurler allowed the lads from Santa Barbara only four hits, so he will pitch the first game down south. In the games against Santa Barbara, the Golden Stream dropped the first 5-10, and made their "breaks" to capture the second game 10-1.

Cal Aggies and the Alumni ball teams were victims of the Golden Flood 7-5 and 4-1 double header last week at Robert's Field.

Intramural

By JOHN PICHOTTO

Over 130 students are signed up in the Intramural Olympics which started yesterday and will continue until Tuesday, April 18. Eighteen men took part in the shot-put yesterday with a "dark horse", "Hefty" Cleve, walking away with first place ribbon with a heave of 48 feet, 5½ inches. Copping second place was Frank Jackson who tossed the "iron ball" for an even 42 feet. Augie Venturi made good his boast that he would win a ribbon by a third place toss of 41 feet, 9½ inches.

In the high-jump event held yesterday, Herb Platt and Stan Lefcourt tied for first place jumping 5 feet, 3 inches. A tossed coin settled the issue with Platt winning. Content with third place was Pete Padilla who surprised the crowd by leaping 5 feet, 2 inches. George Weekes, Collingwood, and Buickerood were close contenders.

Intramural volleyball entries are already pouring in and indications are that the race will be truly competitive. A strong squad has been entered by Phi Epsilon Mu, sponsored by Hanrahan and Plutte. Sigma Pi Sigma, Playground Directors, and Cadavers also have powerful squads.

BOXING RALLY

Continuing his policy of publicizing San Francisco State College, Norman "Bud" Werner, boxing manager, will transport the nucleus of the intercollegiate team to Oakland to participate in a tri-way meet with Wolfenden Athletic Club and the City of Alameda team. Enthused over the success of their last jaunt to Piedmont, the team will appear in full force and this show, according to Werner, will be even more successful. The boxing show is scheduled for Friday, April 21 at 8:00 p.m. and according to George Weekes, director of Wolfenden, seats will be provided for over 200 spectators. Paul Karch, Alameda manager, has promised the services of a well-known fight figure as referee.

COACH BOYLE . . . SHOWS 'EM HOW!

the Sport Column by Phil Schmidt

Aside from the State Intramural Olympics (not to be held in Japan), the next intramural activity to take place is the volleyball tournament. Now, volleyball does not seem particularly exciting, especially to the big "hurly burlies" who like the great American games of football and baseball; but this tourney will have two special innovations here at State.

First, it will be the first co-educational intramural undertaking (excluding the noon-day gymnasium contests). Yes, both guys and gals can participate, and many organizations are planning to enter two or three teams, some composed of males, some females, and some all mixed up.

The second, and perhaps most important idea, fostered by co-sport editor Wade Brummel, is the entrance of an All-Star State College Volleyball team in the All-American championships on Treasure Island. The Gaters will be competing against the various clubs of the bay region, as well as against colleges and universities from all over the U. S. And San Francisco State will probably be the only college team entered from this area.

The result—publicity without interference, in the daily and local papers, as well as space in the eastern papers, with the possible build-up as western collegiate champs.

Remembering a rather scathing, though childish column I wrote at one time against the Music Federation, and remembering one of the resultant lidlifters saying that every year the Music Federation played the winners of the intramural softball league—both this sport editor and Sigma Pi Sigma is awaiting your challenge—Music Fed. The Sigmas you know, won the title.

Some twenty odd fellows have been out for spring football practice this week, small number isn't it. However, they are doing it on their own . . . not officially. Coach Dick Boyle's official get-together doesn't start until Monday. Thus, if more than twenty men come out on their own, how many will turn out with a coach and all? We wonder . . . In all probability it will break turnout records . . . and in the spring too.

ON SPRING FOOTBALL:

Twenty Boys Out; Official Practice Starts Monday!

By PHIL SCHMIDT

During the last week some twenty odd fellows have reported for spring football practice. The number is not particularly large, but when it is considered that this first week consists of unofficial practice only, the situation takes on a different light.

Actual grind begins Monday, under the supervision of Coach Dick Boyle. Boyle intends to make the boys really work. "There is no sense in doing anything half way," he said in a brief interview. "It's all the way, or nothing at all."

At the big meeting yesterday noon (33 men showed up. A large amount what with the noon dance, the kissing derby, and the intramural Olympics going on at the same time), Boyle talked about practice and emphasized dummy work. Basic plays will be given out in a few weeks but nothing is definite. Besides physical workouts, skull lessons will be given at least twice a week.

Heavy suits will not be used for at least two weeks. All preliminary training will be done in special gym outfits. It is hoped that at least fifty will turn out for the opening session Monday afternoon.

Campus Sweethearts Contest Draws Three Entries From Frats

By PHIL SCHMIDT

With three couples already entered, the Phi Epsilon Mu, men's physical education fraternity, is making rapid progress toward the realization of their dream contest, the Campus Sweethearts competition.

Jack McGann and Jean Van Arsdale have been entered by the Sigma Pi Sigma fraternity, Dave Schiller and Tilly Rastad by the Alpha Omega, and Bob Norton and Bonnie Eaden by the Block "S".

Voting tickets will go on sale in the near future at a penny apiece, the proceeds going into the student body loan fund. Anyone may buy as many votes as he wishes, and each vote he buys will be good for the door prize at the Phi Epsilon Mu's climax dance on May 6. At the dance the final winners will be announced and presented with their awards.

All organizations wishing to enter participants should contact either Claude Hanrahan or Bill Plutte. However, each campus club, fraternity, and organization has been sent formal invitations to enter candidates.

The sponsors want it made clear that voters do not necessarily have to vote for couples, but that they can vote for individuals. Thus, the final winners may be from different clubs, such as the boy entrant from "Poo, Poo Poo" winning, and the girl entrant from "How Do You Do" carrying off top laurels.

By next week Phi Epsilon Mu expects to have over twenty couples entered in their unusual contest, and then tickets will go on sale—for one penny—one-third of a cent for your favorite male—one-third of a cent for your favorite female—and one-third of a cent toward yourself, meaning the door prize.

AT SAN FRANCISCO:

Tracksters And Field Men Play Host To Question Mark Santa Barbara Cinder Group At Kezar

By PHIL SCHMIDT

Headed by George Otis, Fred Kline, and Luther Theofield, State's band of iron men will entertain the courageous cinder team from Santa Barbara at Kezar Stadium Saturday morning at ten o'clock. Lack of sufficient meets for the Gauchos makes the Tide heavy favorites to win, though the southerners have several men liable to upset the topnotch Gaters.

Leading the invading tracksters will be their ace all-around man, football hero and all, "Flash" Yeager. Yeager competes in both the sprint events, the broad jump, and the relay, and can be counted for points in all. In fact last year he leaped out some 22 ft., 7 in. to beat Luther Theofield in the distance jumping contest. This year Theofield had improved immensely, but why shouldn't Yeager?

A question of eligibility marks the competition of Gray the ace Barbarian hurdler. Last semester he dropped Daryl Hopkins in the highs and lost to Hoppy in the lows, both races in fast time. If he competes, his duel with George Otis in the highs and Charles Shepard in the lows should feature the afternoon.

In the mile run, Fred Kline is out to lower his year's best mark in the mile made in the San Jose State meet last Saturday, which,

incidentally the Tide lost by an 81½ to 49½ score. It is entirely possible that Kline will roll right down into the 4:20's this week, though not too much is to be expected as Fred might also compete in the two mile.

Though Stater Crane is steadily knocking time off his quarter mile, he will have to go some to defeat Gibson of Santa Barbara. Gibson has done 49 this year, two seconds faster than Crane has been able to hit.

In the weights State should have little trouble though the Barbarians have potential strength in the javelin. "Soc" Pantages can cop both the discus and the shot, but Gittins, Gater frosh, has already taken the former in the iron ball tossing, and can repeat. Harry Robey and Carlson are the Tide threats in the javelin, and they will be challenged by Cahill of Santa Barbara.

Below is the PROBABLE lineup:

100: Theofield (S), Yeager (SB), Parker (S).

220: Theofield (S), Parker (S), Yeager (SB).

440: Gibson (SB), Crane (S), Wiggan (S).

880: Bolvus (SB), Schwab (S), Young (S).

Mile: Kline (S), Carolan (S), McDonald (SB).

Two Mile: Kline (S), Leavitt (S), Beeson (SB).

Low Hurdles: Shepard (S), Gray (SB), Downey (SB).

High Hurdles: Gray (SB), Otis (S), Frizholz (SB).

Broad Jump: Theofield (S), Yeager (SB), Horner (S).

High Jump: Wiggan (S), Hart (SB), Otis (S), Frizholz (SB).

Pole Vault: Otis (S), Parker (S), Crary (S), Glass (S).

Shot Put: Gittens (S), Pantages (S), Hodgins (S).

Discus: Pantages (S), Gittins (S), Conrad (SB).

Javelin: Carlson (S), Cahill (SB), Robey (S).

Relay: State (Wiggan, Craine, Purdom, Gustafson).

However, complete dope is known only on the Golden Tide, and the boys from the southland may pull more than several surprises.

OUTDOOR GIRL BLANKS OUT TOMORROW NOON

Unforeseen difficulties, plus an over-rushed mimeograph room, has caused the Outdoor Girl contest blanks to be held over until tomorrow at noon. However, they will definitely be out tomorrow—or else!

Meanwhile the list of women entries has grown rapidly. It consists of Peggy Roach, Betty Zehnder, Elaine Terry, Fran Twohig, Audrey Stewart, Frances Kelleher, Betty Fisher, Jean Van Arsdale, Jane Read, Thelma Rastad, Barbara Sullivan, Mary Ann Chapman and Louise Vallarino.

The judges will be Doctor Treutlein, Mrs. Stephenson, and Coach Dick Boyle.

All girls wishing blanks report to the publications office, Annex A9. There will be some one distributing them in the news room all day. Any girl wishing further information see Phil Schmidt, Wade Brummel, or Hal Martin, tri-sponsors of the contest. Final judging date will be set in the near future, and plans for a gala occasion are being made. The judges are Mrs. Stephenson, Doctor Treutlein, and Coach Boyle.

Tennis Team Drubs Gaels Loses Sparta

By DOUG CRARY

Succumbing before the exceptionally steady returns of the San Jose State netsters, the Gater tennis team Saturday lost by a 6-3 score at the Palace of Fine Arts courts.

In a match earlier last week the wearers of the purple and gold handed St. Mary's another beating, the score being 6-3. The Gaters actually won only four matches, two being defaulted because of absent Gael racquet-swingers.

Hopes for San Francisco's winning the flag in the current Northern California Intercollegiate Tennis Association race are rather dim at present, although not entirely extinct. The Gaters have now won three and lost two, with three more tussles yet to be decided. Members of the squad have expressed the conviction that Santa Clara will have the tables turned on it in next week's engagement; at that time the Gaters will be on a fast court, whereas the Broncs' surface was confusingly slow.

Men who scored for State against the Gaels were Jack Witt, and Doug Crary, in singles, and Crary-Prins and Sanz-Hammond in doubles.

The results of the San Jose match follow:

SINGLES

Jack Witt (SF) def. John Kryshiak (SJ) 7-3, 7-5.

George Kifer (SJ) def. Norbert Prins (SF) 6-0, 6-3.

Ed Harper (SJ) def. Ed Kohlhauf (SF) 6-2, 6-4.

Vic Ehle (SJ) def. Doug Crary (SF) 6-2, 8-6.

George Egling (SJ) def. Bill Hammond (SF) 6-0, 6-4.

Joe Sanz (SF) def. George Quettin (SJ) 6-4, 3-6, 6-3.

DOUBLES

Harper-Egling (SJ) def. Witt-Kohlhauf (SF) 6-2, 6-8, 8-6.

Crary-Sanz (SF) def. Kifer-Kryshiak (SJ) 6-4, 4-6, 6-4.

Ehle-Boscaccio (SJ) def. Hammond-Prins (SF) 6-1, 6-4.

FROM THIS SIDE . . .

Perhaps a subtle compliment, but nevertheless an alarming circumstance, is the attitude of the student body towards the Golden Gater. . . . A compliment, perhaps, in the sense that it is a topic of conversation . . . alarming, more so, in the utter frankness and ignorance characterized in the speakers. . . .

Perhaps it is not our cue to be critical or observing, but in our own fourth estate way we cannot help but voice the Gater's side of it. . . . The student body claims that the publication of the Gater is erratic, uncertain and irregular. The student body does not understand that funds given to the Gater from year to year are also erratic, uncertain and irregular.

And like the housewife with only half a pat of butter, the Gater must spread out these funds over a whole semester.

This semester, the Gater received approximately \$2100 from the student body. At approximately \$75.00 per issue, it was figured that twenty-four would be the best possible number, allowing the remainder of the sum for transportation, telephone, killed type, etcetera. Thus far this semester sixteen have seen the light of day with eight yet to be christened.

Here's the way it looks:

Assets:	
Balance from last semester	\$ 112.00
1896 students @ \$1.00	1896.00
From student body, .05 per student	95.50
Ads and Incidentals	52.57
Advertising Money DUE and Collectable	137.47
Total	\$2293.54
Liabilities:	
*Printing, 16 issues	\$1136.64
Cuts	180.26
Miscellaneous	186.86
Total	\$1503.76
Total Assets	\$2293.54
Total Liabilities	\$1503.76
Total Cash on Hand	\$ 789.78

The above excludes sales tax and killed type.

From the preceding one may see that the Gater is coming out as often as could be. We could put out two papers a week for the first twelve weeks—and then fold up, but we must take care of our flock.

There are many who protest at the large Chesterfield advertisement which frequently graces the back page. Few understand that there would be but twenty-two or even twenty-one, issues were it not for this ad.

The reporters and staff of the Golden Gater look forward to the day when we may put out a daily and compete with Stanford, California and San Jose State. Our office equipment is not sufficient for the present Golden Gater.

Dr. E. T. Arnesen Gives Lecture

Illustrated by motion pictures starring Sarah Bernhardt and Mrs. Minnie Maddern Fiske, State's Dr. Elias T. Arnesen lectured on the general subject of "Reality and Illusion on Stage and Screen" Monday evening at the San Francisco Museum of Art.

The talk was the concluding one of the series on Motion Picture Appreciation. Dr. Arnesen pleasantly illustrated by example the "contrast between the illusion of reality as portrayed on the screen, and the reality of illusion as shown on the stage."

According to the committee in charge, plans are under way to make the occasion a memorable one for all. Cost of the breakfast will be seventy-five cents, payable on Sunday.

DEBATE TEAM MEETS C.O.P.

Two debating teams will leave for a dual meet with College of the Pacific at Stockton tomorrow afternoon. Claude A. Shull, coach for the Forensic Council, will accompany them in order that he may watch them in action, and so be better able to polish their speaking.

The question for the debates will be: Resolved: That a system of socialized medicine should be adopted by California.

As yet the two girls and two fellows who will make up the contingent have not been chosen.

C. of P. will play the host at dinner before the debates; and the squad will return the same night.

—NOTICE—

Examination on Constitution will be held on April 25 (Tuesday) from 10-12 a.m. Students wishing to take this examination must apply at the Registrar's Office for a pass.
